

2022 PAGCS Team Match Play (Better Ball of Partners)

The Net Match Play Bracket

- 2-player teams playing match-play golf using USGA Handicaps.
- Handicaps will be played at 90% in 2022. **USGA recommended percentage for team match play*
- In general, after *handicap allowances* have been applied in match play formats, the player with the lowest *Playing Handicap* plays off zero strokes relative to the other player(s). The other player(s) receive(s) the difference between their own *Playing Handicap* and that of the player with the lowest *Playing Handicap*.
- Each round of matches must be completed by the deadlines posted. There will be no extensions of time past these deadlines.
- If a match can't be played by its deadline, and neither team has elected to forfeit the match due to their unavailability, a coin toss will determine the winner.

The Gross Match Play Bracket

- 2-man teams playing match-play golf with no handicaps. (All players are scratch.)
- Each round of matches must be completed by the deadlines posted. There will be no extensions of time past these deadlines.
- If a match can't be played by its deadline, and neither team has elected to forfeit the match due to their unavailability, a coin toss will determine the winner.
